**Excused:** Craig PoVey

---

### **Agenda**

#### **I. Welcome**

#### **II. Review Minutes**

- Christy moved for approval of the minutes from September. Verne seconded the motion and was unanimously approved.

#### **III. Review Action Items**

- Susannah will send the copy of the Epi Report to Christy, Ed and Stacy to make sure that it is the final copy. Once the final is located it will be posted.

#### **IV. Fall Conference – All**

- Susannah would like to bring Ralph Hingson to present to the Coordinators. His presentation was relevant to Communities That Care and SPF SIG.

#### **V. Poison Control Data Update – Jamie**

- The Rx drug workgroup met with Glen Hansen and went through the poison control drug list.
- Jamie and Stacy grouped the drugs according to the information given by Glen.
- The reports will be grouped into intentional misuse and intentional use.

**Action Items:**

- Jamie will request a report from Poison Control by state overall, zip code, gender and age.
- Jamie will ask Poison Control for the inhalant call-in information to enhance the data collection for the SEOW.
- Jamie will email the electronic color-coded copy of the drug groups to the workgroup for further explanation.
- Jamie will send the request to poison control tomorrow to run the reports.

**VI. Prescription Pain Medication Advisory Committee Meeting– Susannah**

- Susannah and Craig attended this committee with several leaders including physicians, pharmaceutical industry, DOPPLE, family members of victims, etc...
- The goal of the committee is reduce Rx drug abuse in Utah by 15% by the year 2009.
- Four workgroups were created under the committee.
- Craig is on the patient education and media campaign committees.
- Susannah is on the Data evaluation and Analysis workgroup
- These meetings will be held quarterly.

**VII. Other Items**

- Susannah will be attending the 3<sup>rd</sup> cohort grantee meeting next week to receive TA on the drafting the state plan.

**Next Meeting: Thursday, December 6, 2007, 9am**
